

**【Press Release】**

**2010 INTERNATIONAL MUSEUM DAY & SUMMER ACTIVITIES OF COMMUNICATIONS MUSEUM**

Communications Museum has endeavored to create more opportunities for students to explore and experience the fun of learning science. For the International Museum Day and summer activities of this year, the Museum has arranged a series of activities to encourage students to participate and experience the fun of communications.

Registration of all activities are based on a first-come-first-served basis. Seats are limited and no additional classes will be opened. Details, charges and application form can be found at <http://macao.communications.museum>.

**A) SCIENCE SEMINAR 2010:** A series of seminars about the relations of science and, technology with our daily life are organized by Institute of Electrical and Electronics Engineers of Macao and the Communications Museum.

***Theme: IEEE Talks – Electrical and Electronic Applications in Our Daily Life***

Date	Time	Topic	Speaker
May 1	Saturday 14:30-16:00	Explore the Secrets of Human Body through Biomedical Engineering	Ph.D. Vai, Mang I
May 15		Electricity & Electronics – Daily Life, Environment and Study in Secondary School	Ph.D. Wong, Man Chung
June 5		Development & Technology of Micro-electronic Integrated Circuits in Macao	Ph.D. U, Seng Pan
June 19		When the Trail of the Technological Development of Fiber Optics Leads to the Radio Play of Post-1990 Generation, Then and Now.	Ph.D. Tam, Kam Weng
June 26		The Graphic World of 3-Dimension – Combining Engineering and Art	Ph.D. Wong, Hon Cheng

## **B) INTERNATIONAL MUSEUM DAY, WORLD TELECOMMUNICATIONS**

**AND INFORMATION SOCIETY DAY:** Communications Museum is going to participate in “The Museum Fair of Macao, Hong Kong and Guangdong Province 2010” with the theme of “Museums for Social Harmony” at the Tap Seac Square on May 9. Macao Post will issue a commemorative envelope for free distribution to the public and provide commemorative cancellation service for stamp collectors at the Temporary Postal Counter from 2:00 p.m. to 6:00 p.m.

During the event, visitors can play the interactive games “*Smart postman – land, sea, air*” and “*How to put the stamp chop?*” at the booth of Communications Museum. There will also be live demonstrations of the *Van de Graaff Generator* and its mini version so that visitors can experience the effects of static electricity. Visitors will not only learn more about postal / philatelic service from the games, but they may also win souvenirs and free admission coupons of the Museum.

To celebrate the “World Telecommunications and Information Society Day” and “International Museum Day”, visitors can enjoy free entrance at the Communications Museum on May 15, 16 & 18 (Saturday, Sunday & Tuesday).

**C) INTERNATIONAL CHILDREN’S DAY:** “Caring for children with attention for having a healthy growth” is the theme of the International Children’s Day that will be held on June 5 (Saturday) at Macao Forum. There will be interactive games and live demonstrations at the booth of Communications Museum. Visitors can win commemorative envelopes and free admission coupons of the Museum.

**D) 2010 SUMMER ACTIVITIES–DSEJ:** Communications Museum continues to participate in the summer activities organized by the Education and Youth Affairs Bureau. All courses will be held at the E-lab of the Museum. Applicants may register according to the schedules and locations announced by the Education and Youth Affairs Bureau.

### ***Course: “Introduction to Circuit and Soldering”***

Class	Date	Time	Age	Participants
A	July 6-27	Tuesday 14:30-16:30	12-15	16
B	August 3-24	Tuesday	12-15	16

14:30-16:30
-------------

***Course: “Construction of Digital Circuits”***

A	July 1-22	Thursday 14:30-16:30	16-19	16
B	July 29 - August 19	Thursday 14:30-16:30	16-19	16

***Course: “Production of Wind Power Generator”***

A	July 2-23	Friday 14:30-16:30	12-15	16
B	July 3-24	Saturday 14:30-16:30	16-19	16
C	July 30 - August 20	Friday 14:30-16:30	12-15	16
D	July 31 - August 21	Saturday 14:30-16:30	16-19	16

***Course: “Application of Photodiode – Photosensitive Mechanical Beetle”***

A	July 7-28	Wednesday 14:30-16:30	16-19	16
B	August 4-25	Wednesday 14:30-16:30	16-19	16

**E) INTERACTIVE WORKSHOPS:** The “brains-on, hands-on” summer workshops are organized by Communications Museum and they will be held at the multifunction room of the Museum.

***Workshop: Amazing Codes***

Class	Date	Time	Class	Participants
A	July 7-28	Wednesday 14:30-16:30	Primary 5, 6	20
B	July 9-30	Friday 14:30-16:30	Primary 5, 6	20

***Workshop: Daily Life through the Magnifying Glass***

A	August 4-25	Wednesday 14:30-16:30	Primary 3, 4	20
B	August 6-27	Friday 14:30-16:30	Primary 3, 4	20

**F) SUMMER SCIENCE CAMP:** Science camps will be organized by Communications Museum with the aim of broadening the vision of children and teenagers and increasing their interests in science through interactive activities and outbound tours.

***Science Camp: “Teen Teen Summer Camp”***

Class	Date	Time	Level	Participants
A	July 10	Saturday 09:30-17:30	Primary 5 to Form 1	30
B	July 17	Saturday 09:30-17:30	Primary 5 to Form 1	30
Note: Morning – activities at Communications Museum; afternoon – visit at the Coloane Power Plant Station				

***Science Camp: “Communications & You”***

A	August 8-9	Sunday & Monday 09:30-17:30	Primary 5, 6	30
B	August 22-23	Sunday & Monday 09:30-17:30	Primary 5, 6	30
Note: 1 <sup>st</sup> day - activities at Communications Museum; 2 <sup>nd</sup> day – visit at Hong Kong Science Centre
